

Yearly Activity Fee

Sunny Hill Preschool 813 W. Myrtle St. Stillwater, MN 651.430.2469

October 2011

Dear Sunny Hill Parents,

We have a wonderful year planned here at Sunny Hill with many fun activities. Throughout the school year we will visit the Stillwater Public Library, The Fire Station, Krueger Tree Farm, and Double H Stables in the spring. We also have many visitors scheduled for the upcoming months. The Raptor Center will visit and so will Rob Ellos with a wonderful science program. Storytellers will enchant the children with their tales and we will also have a special musical guest, Will Hale perform for us. These events all coordinate nicely with our curriculum and enhance the children's learning experiences.

To cover the costs involved we are collecting an activity fee that will cover this years special events. Please submit \$50.00 with October or November tuition to cover the fee. For those of you set up with auto pay, we can add the fee in October or November.(Just let the office know what you prefer) We are hoping this is a more convenient way for you to pay, rather than us continually asking for a few dollars here and there to pay for trips and special guests. Thank you for your continued support of our program.

As it's always nice to have the children easily recognizable on field trips, Sunny Hill will provide new students with a T-shirt for events and field trips. Returning students are asked to use their shirts from last year.(However, if you've outgrown yours, please stop in the office for a new one!)

Thanks again!

Janna Meline & Mary Morelli
